

REQUEST FOR PROPOSALS

The City of Cathedral City seeks technical proposals from Professional Construction Management firms to provide professional Construction Administration Services on an as needed basis required to support **CIP NO. 6504 DATE PALM DRIVE / I-10 INTERCHANGE – INTERIM IMPROVEMENTS WITHIN THE CITY OF CATHEDRAL CITY**

PROJECT DESCRIPTION

The Date Palm Drive Traffic Signal and Ramp Widening will be to improve safety and capacity. This project consists of interim improvements until final interchange construction is approved. In general, the interim improvements consist of ramp sliver widening, striping, and traffic signal installation. The traffic signals may be reused as part of the final Date Palm Drive Interchange construction. A copy of preliminary project plans and specifications may be obtained at City Hall.

Proposal packages are to be submitted to the City on/or **before February 15, 2006 at 4:00 p.m.** Proposals received after the stated deadline shall not be accepted. Proposal packages are to be delivered to:

William O. Bayne, City Engineer
City of Cathedral City
68-700 Avenida Lalo Guerrero
Cathedral City, CA 92234
